

Date: 02.06.2020

Dear Parent

Kindly be informed that to enhance practical learning according to CBSE guidelines, along with IT we are introducing "Food Production" skill subject in class IX which will continue till class X.

Students have to choose one of them

- 1- INFORMATION TECHNOLOGY
 - 2- FOOD PRODUCTION
- as skill subjects.

Total weightage of subject will be 100 marks (50practical +50Theory) which will help them to enhance their X board result.

We humbly request you to kindly guide your ward in choosing any one from the above given skill subjects and send confirmation message for the same to your online class mentor by 5th June,2020.

Regards 
Vardhman International School
